

Y. M. C. A. Colored Branch

S. H. Fowler, Executive Sec'y

The building consists of an office, Reception Room, Adult Game Room, Dining Room and Kitchen. In the Dormitory Department there are 12 beds. This beautiful building built exclusively by men of our race is located on a triangular plot of ground 165 by 225 feet easily accessible with paved side walks all around and on one of the main highways.

Its program—Cooperative in scope. Hi Y and Gra Y Clubs are parts of its Educational program. Supervised play is physical. Special church programs, its religious and moral programs are featured in its social activities and entertainments. Various Educational Classes are carried on at this building.

Of special significance—The branch was the first Colored in Texas granted membership into National Council; their Hi Y Club, the first into the Secondary Schools boys movement of North America, and the first as a member of the World Brotherhood. Two delegates have been sent to World Conferences—Mr. A. V. Smith to Helmingford, Finland and Mr. R. V. Anderson, Toronto, Canada. They have furnished two presidents of the State Old Boys Conference, viz. Mr. Frank Adams and Mr. Nathaniel Montgomery. We regard the Y as a great factor in our community and we feel to deprive our city of it would be a tragedy.

Mr. Fowler the efficient Executive Secretary of the "Y" is one of Fort Worth's most aggressive and progressive civic and religious leaders. By popular vote of the Negro citizenry he has been designated as Fort Worth's "Most Useful Citizen of 1936."

RECREATION CENTER—Aspires National War Work Council. Established May 16, 1919; Purpose Ex-Service Men. Became a Branch Central Y. M. C. A. September 8, 1919. S. H. Fowler, Sr., Ex. Secretary since its beginning. First chairman Committee of Management Dr. J. W. Tilden, now of Chicago, Illinois. Present chairman Mr. I. P. Anderson, Cashier Fraternal Bank and Trust Company. During its existence of 18 years it has been housed in rented quarters at 915 Calhoun St.; 907B Jones St.; 415 E. 6th St.; 307 E. 2nd and 612 E. Jones St. On May 13, 1935, the Y moved into its new home, 1916 Crump St. The unique thing in the building of its new plant was that it was the only Y building erected in six years. This building is now all paid for and is one of the most used factory for the common good in the city.
